POWER TOOLS

We offer a variety of power tools designed to streamline your projects and enhance productivity. From drills and saws to sanders and grinders, our collection features top-quality tools from trusted brands to meet all your needs.

Electric Drill

Product Description

- This versatile electric drill is ideal for various drilling applications, providing powerful performance and precision.

Electric Blower

Product Description

- The electric blower efficiently clears debris and leaves with strong airflow and easy handling.

Planner

Product Description

- This high-performance planer delivers smooth and accurate surface planing for woodworking projects.

Pressure Washer

Product Description

- The pressure washer offers powerful water jets to clean surfaces quickly and effectively, perfect for outdoor cleaning tasks.

Angle Grinder

Product Description

- This angle grinder provides fast and efficient grinding, cutting, and polishing for metal and other materials.

Corded Drill

Product Description

- The corded drill delivers consistent power and reliability, suitable for continuous use in demanding tasks.

Cordless Drill

Product Description

- Enjoy the freedom of movement with this cordless drill, featuring a long-lasting battery and robust drilling capabilities.

Jig Saw

Product Description

- The jig saw's variable speed and precision blade movement make it ideal for intricate and curved cuts in various materials.

Tile cutter

Product Description

- The tile cutter ensures precise and clean cuts for tiles, making it perfect for bathroom and kitchen installations.

Hammer Drill

Product Description

- The hammer drill combines drilling and hammering action to tackle tough materials like concrete and masonry.

Sander

Product Description

- Achieve a smooth and even finish with this sander, designed for both rough and fine sanding applications.

Sir Grinder

Product Description

- The sir grinder is a compact and powerful tool for detailed grinding and polishing work.

Circular Saw

Product Description

- This circular saw offers high-speed cutting with accuracy, ideal for straight cuts in wood and other materials.

Angle Polisher

Product Description

- The angle polisher provides a high-quality finish on surfaces, perfect for automotive and metal polishing.

Chop Saw

Product Description

- The chop saw is designed for precise and efficient cutting of metal and wood, suitable for various construction projects.

Chain Saw

Product Description

- This chain saw delivers powerful cutting performance for tree trimming, logging, and other heavy-duty task

Staple Gun

Product Description

- Staple gun: The staple gun is ideal for fastening materials like upholstery, insulation, and carpets with ease.

Die Grinder

Product Description

- DEWALT 450W 6MM Paddle Switch Die Grinder DWE4887N

Screw Driver Machine

Product Description

- This screwdriver machine offers fast and efficient screwdriving with adjustable torque settings.

Branch saw

Product Description

- The branch saw is perfect for pruning and cutting branches, featuring sharp teeth for quick and clean cuts.

Demolition Hammer

Product Description

- The demolition hammer provides heavy-duty impact force for breaking and demolishing concrete and other hard materials.

Flat Hose

Product Description

- Single-level residential structure
- customizable designs.

Roof Strainer

Product Description

- Prevents roof drain clogs;
- Available in standard sizes.

Electric Cables

Product Description

- Durable electric cables for safe and efficient electrical installations.

PVC Hose

Product Description

- Durable
- Low-maintenance construction
- Available in different quantities.

Electric Plastic Pipe

Product Description

- Protects electrical wiring
- Available in various sizes.

Gutter

Product Description

- Collects and directs rainwater
- Available in standard lengths.

Shower Strainer

Product Description

- Prevents shower drain clogs
- Available in standard sizes.

Strainer Ceramic

Product Description

- Filters sink debris
- Available in standard sizes.

Hand Shattaf

Product Description

- Handheld bidet spray
- Available in standard sizes

Vent Cap

Product Description

- Blocks debris from vents
- Available in various sizes

Aluminium Tube

Product Description

- Lightweight and corrosion-resistant
- Available in standard sizes.

Hose Green

Product Description

- Flexible garden hose
- available in multiple lengths

PVC Water Level Hose

Product Description

- Measures water levels
- Available in various lengths.

Water Strainer Grid

Product Description

- Filters debris in water systems
- Available in standard sizes.

Strainer SS

Product Description

- Stainless steel strainer for plumbing
- Available in standard sizes.

Corner Strainer

Product Description

- Filters debris in drainage corners
- Available in standard sizes.

L Shape Angle Valve

Product Description

- Controls water flow at an angle
- Available in standard sizes.

Bidet Spray

Product Description

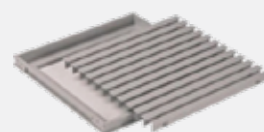

- Provides hygienic cleaning
- Available in standard sizes.

Shutoff Hose

Product Description

- Flexible hose for bidet spray
- Available in various lengths

Water Grill

Product Description

- Grate for covering drains
- Available in various lengths

Brass Bib Cock

Product Description

- Durable outdoor faucet
- Available in standard sizes.

Shower Mixer

Product Description

- Blends hot and cold water
- Available in standard sizes.

Shutoff

Product Description

- Handheld bidet spray for personal hygiene
- Available in standard sizes.

Float Valve

Product Description

- Regulates water levels in tanks
- Available in standard sizes.

Single Hole

Product Description

- Streamlined faucet design
- Available in standard sizes.

Sewer Cleaner

Product Description

- Clears blockages in sewer lines
- Available in various lengths

Heater Hose

Product Description

- High-temperature resistant
- Available in various lengths

Pillar Cock

Product Description

- Faucet mounted on a pillar
- Available in standard sizes.

Basin Mixer

Product Description

- Mixes hot and cold water
- Available in standard sizes.

Angle Valve

Product Description

- Controls water flow at an angle
- Available in standard sizes.

Mixer Hose

Product Description

- Connects water supply to mixer faucet
- Available in standard sizes.

Sink Mixer

Product Description

- Blends hot and cold water
- Available in standard sizes.

Shower Handle

Product Description

- Upgrade your bathroom with this stylish and functional shower handle, designed for easy temperature control and enhanced showering experience. Ideal for modern bathrooms seeking both convenience and aesthetic appeal.

Wall Hung WC

Product Description

- Maximize space and elevate your bathroom's elegance with our sleek wall hung WC, combining modern design with practicality. Ideal for contemporary bathrooms aiming for a minimalist and sophisticated look.

American Standard Decelyn

Product Description

- Experience superior quality and timeless design with the American Standard Decelyn, offering unparalleled performance and style for your bathroom. Ideal for those seeking durability and sophistication in their home fixtures.

HAND TOOLS

Browse our extensive selection of durable hand tools crafted with precision for optimal performance in every task. From wrenches to screwdrivers, trust our hand tools to empower your projects with reliability and efficiency.

Screw Driver Bit

Product Description

- High-quality bits for various screw types

Vice Grip Plier

Product Description

- Strong grip for holding and turning.

Pincer Cutting Plire

Product Description

- Precision cutting for wires and nails.

Screwdriver

Product Description

- Essential tool for driving screws.

Combination Spanner

Product Description

- Versatile spanner for various bolts and nuts.

Internal Bent Plire

Product Description

- Specially designed for internal clips.

Locking Plire

Product Description

- Locks in place for secure

Combination Pliers

Product Description

- Multi-purpose pliers for gripping and cutting.

Crimping Plire

Product Description

- Efficient tool for crimping electrical connectors.

Monkey Plire

Product Description

- Adjustable plier for various gripping tasks.

Pipe Wrench

Product Description

- Locks in place for secure gripping.

Diagonal Cutting Pliers

Product Description

- Ideal for cutting wires and small pins.

Long Nose Pliers

Product Description

- Extended reach for precision work.

Combination Wrench

Product Description

- Dual-end wrench for tightening and loosening

Paint Roller

Product Description

- Covers large surfaces evenly with paint

Water Pump Pliers

Product Description

- Adjustable for gripping round objects.

Adjustable Wrench

Product Description

- Versatile wrench for different sizes.

Adjustable Spanner

Product Description

- Versatile wrench for various bolts and nuts.

Scaffolding Spanner

Product Description

- Specialized spanner for scaffolding.

Ratchet Spanner

Product Description

- Allows continuous rotation in one direction.

Hand Saw

Product Description

- Efficient cutting of wood and other materials.

Allen Key Set

Product Description

- Hex keys for tightening hexagonal screws.

Socket Set

Product Description

- Comprehensive set for various fasteners.

Automatic Spanner

Product Description

- Self-adjusting spanner for easy use.

Wood Chisel

Product Description

- Sharp chisel for detailed woodworking.

Concrete Chisels

Product Description

- Strong chisel for breaking concrete.

Carpenter File

Product Description

- Smooths and shapes wood surfaces

Spirit Levels

Product Description

- Ensures accurate horizontal and vertical alignment.

Window Scrapper

Product Description

- Cleans glass surfaces efficiently.

Paint Scraper

Product Description

- Removes paint and varnish from surfaces

Utility Knife

Product Description

- Versatile cutting tool for various materials

Concrete Files

Product Description

- Durable file for concrete smoothing

Try Sqaure

Product Description

- Ensures accurate right angles in woodworking.

Paint Brush

Product Description

- High-quality brush for smooth paint application.

Silicon Gun

Product Description

- Applies sealant smoothly and evenly

Mason Trowel

Product Description

- Spreads and shapes mortar for masonry

Wall Scraper

Product Description

- Removes old paint and wallpaper

Claw Hammer

Product Description

- Standard hammer for nails and general use.

Aviation Snips

Product Description

- Cuts through sheet metal with precision.

Mason Brush

Product Description

- Stiff-bristled brush for masonry work.

HARDWARES

Explore our comprehensive hardware collection, featuring top-quality products designed to meet your every need. From fasteners to hinges, discover the perfect hardware solutions to elevate your projects with durability and precision.

Garden Hoe

Product Description

- Ideal for weeding and soil cultivation
- Available in standard sizes.

Tool Box

Product Description

Hand Shovels

Product Description

- Perfect for small digging tasks
- Available in standard sizes.

Cutting Disc

Product Description

- Sharp disc for cutting metal and stone
- Available in standard sizes.

Steel Bucket

Product Description

- Heavy-duty bucket for various uses
- Available in multiple sizes.

Caster Wheel

Product Description

- Smooth-rolling wheels for carts and equipment
- Available in various sizes

Steel Net

Product Description

- Strong netting for reinforcement
- Available in different lengths.

Wheel Barrow

Product Description

- Durable for transporting materials
- Available in various capacities.

Pick Axe

Product Description

- Ideal for breaking hard ground
- Available in standard sizes.

Black Buckets

Product Description

- Multipurpose buckets for construction
- available in various sizes.

Water Stopper

Product Description

- Prevents water flow in pipes
- Available in standard sizes.

Binding Wires

Product Description

- Strong wire for tying and binding
- Available in different gauges.

Wood Nail

Product Description

- Strong nails for woodworking
- available in different lengths.

Hessian Cloth

Product Description

- Durable fabric for protection and wrapping
- Available in various dimensions.

Rapid Clamp

Product Description

- Quick clamping for secure holding
- Available in various sizes.

Concrete Nail

Product Description

- Strong nails for concrete fastening
- Available in different lengths.

PVC Water Level Hose

Product Description

- Measures water levels accurately
- Available in different lengths.

DryWall screw

Product Description

- Specialized screws for drywall installation
- Available in various sizes.

Waller Plate

Product Description

- Used for securing formwork
- Available in standard sizes.

Carton Rolls

Product Description

- Heavy-duty cardboard rolls for packing
- Available in various sizes

Paper Roll

Product Description

- Versatile paper for packing and protection
- Available in different sizes.

Self Drilling Screw

Product Description

- Screws with built-in drill bit
- Available in various sizes

Dry Wall Fine

Product Description

- Smooths and finishes drywall edges
- Available in standard sizes

Screw Metal

Product Description

- High-strength screws for metal
- Available in various sizes

Tarpaulin Blue & Orange

Product Description

- Heavy-duty tarps for covering and protection
- Available in different sizes

Masking Tape

Product Description

- Versatile tape for painting and protection
- Available in various widths.

Brown Tape

Product Description

- Strong tape for packing and sealing
- Available in various widths

Manila Rope

Product Description

- Natural fiber rope for heavy-duty use
- Available in different lengths.

Bolts and Nuts

Product Description

- Essential fastening components
- Available in various sizes.

Clear Tape

Product Description

- Transparent tape for sealing and wrapping
- Available in various widths.

Nylon Ropes

Product Description

- Durable ropes for various uses
- Available in different lengths.

Plastic Shade Net

Product Description

- Provides shade and protection
- Available in various sizes.

Washers

Product Description

- Distributes load of a bolt or screw
- Available in different diameters.

Wood Screw

Product Description

- Screws for woodworking
- Available in different lengths.

Wing Nut

Product Description

- Easy-to-turn nuts for hand tightening
- Available in various sizes.

Cotton Rope

Product Description

- Soft and strong rope
- Available in various lengths.

Water Thermos

Product Description

- Heavy-duty tarps for covering and protection
- Available in different sizes

Spray Foam

Product Description

- Essential fastening components
- Available in various sizes.

Polythene Sheets

Product Description

- Distributes load of a bolt or screw
- Available in different diameters.

MIG Welding Wire

Product Description

- Versatile tape for painting and protection
- Available in various widths.

Thermocol

Product Description

- Transparent tape for sealing and wrapping
- Available in various widths.

Epoxy Coated Bonding Wire

Product Description

- Screws for woodworking
- Available in different lengths.

Sponge Foam

Product Description

- Strong tape for packing and sealing
- Available in various widths

Sanitay Silicone

Product Description

- Polycotton coverall
- Various sizes.

Binding Wire

Product Description

- Easy-to-turn nuts for hand tightening
- Available in various sizes.

Green Shade Net

Product Description

- Natural fiber rope for heavy-duty use
- Available in different lengths.

GI Welded Wire Mesh

Product Description

- Provides shade and protection
- Available in various sizes.

Tarpaulin

Product Description

- Soft and strong rope
- Available in various lengths.

Tarpaulin Colours

Product Description

- Vibrant trampoline colours to enhance the aesthetic appeal of your trampoline.

Epoxy Coated Binding Mesh

Product Description

- Epoxy-coated binding mesh for durable and rust-resistant reinforcement.

Tower Bolts

Product Description

- Robust tower bolts designed for secure locking of doors and windows.

Welding Rods

Product Description

- Reliable welding rods for strong, durable welds in various metals.

Platform Trolley

Product Description

- Sturdy platform trolley for easy transportation of heavy goods.

Screws

Product Description

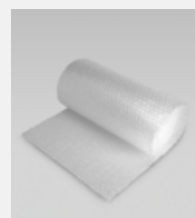

- Assorted screws for versatile applications in construction and DIY projects

Beige Shade Net

Product Description

- Beige shade net for effective shading and cooling in outdoor

Bubble Wrap Roll

Product Description

- Protective bubble wrap roll for cushioning fragile items during shipping and storage.
